After School programs conducted at Ekya BTM include Chess, Cricket, Theatre, Karate, Gymnastics, Basketball, Swimming, and Skating. Our aim of the after school activities is to influence a child's development, enhance their social skills, improve their academic performance, and to strengthen their physical and intellectual health.

Five perfect school clubs at Ekya Schools, BTM provide students with opportunities to identify, explore and nurture their talents. 5 different clubs include - ICT, Environment Club, Performing Arts Club, Sports Club, and The Artistic Club.

Learning Showcase was conducted, with an intention to show what students have learned through the term at school. It was all about the learning experiences that the students had with regard to their academic learning, School achievements, Club showcase and much more.

Our Experts at Ekya BTM aim at getting our students to hear and interact with people from various fields.

Teachers also were provided with Professional Development Sessions over the term to help them interact with and understand students better. They designed new strategies to teach challenging concepts and strengthen the learning outcome of the students.

Teamwork helps common people to attain uncommon results. Think less of 'Me' and more of 'We'. This is what has taken and rather taking Ekya School, BTM to greater heights.
